Unit will investigate if individual involved is an endangered adult, which means:

- An individual who is at least 18 years of age;
- Incapable by reason of mental illness, intellectual disability, dementia, habitual drunkenness, excessive drug use, or other physical or mental incapacity, of managing or directing the management of the individual's property or providing self-care;
- Harmed or threatened with harm as a result of:
 1. Neglect
 2. Battery; or
 3. Exploitation of the individual's personal services or property

APS unit will initiate procedures necessary to protect the adult based on their needs

- Adult should agree to these services
- If the adult does not agree, or does not have the capacity to agree to services, the unit may petition a court to require them to receive services

APS will monitor the protective services in place
